

Websites Cited in Ninth Circuit Opinions, 2008

The following table lists all Ninth Circuit opinions issued in 2008 that cite to Internet addresses (URLs). Because some URLs cited in court opinions may change over time or disappear altogether, this project attempts to capture, as closely as possible, what the court was referencing at the time the opinion was released. Using the URL cited in the opinion, the Ninth Circuit Library saves a copy of the cited material as a PDF file and adds a watermark to denote the document's archived status. The Library does not attempt to determine if any changes have been made to the website between the date the court last visited the site and the date the Library archived it.
