

A 1944 graduate of Willimantic State Teachers College—now Eastern Connecticut State University—Peg received a bachelor's degree in education. She also attained a master's degree from the University of Connecticut. Between 1945 and 1950, she taught at Norwich Elementary School and was a reading supervisor in the Greenwich Public Schools. Returning to Eastern in 1950, Peg devoted herself to improving early childhood education.

In particular, Peg has dedicated herself to changing the way young students are taught. She advocated providing an individual approach to early childhood education, which was considered radical by many educators in the early 1950s. However, over the ensuing decades this approach has become widely accepted as the best method of preparing young children for success in school and life.

Peg Wilson was ahead of her time in recognizing the importance of providing children a comprehensive and demanding curriculum that considers each child's strengths and weaknesses. Her determination to improve early education was the driving passion of her career. As both a teacher and administrator, Peg imparted her "radical" theory to thousands of prospective teachers and parents during her nearly 40 years at Eastern. This knowledge undoubtedly improved the lives of even more children in Connecticut and throughout the country. For that, we should all be grateful.

During, and after her illustrious career at Eastern, Peg remained active in her community. While working at Eastern, Peg served on the Norwich Board of Education for 18 years. In addition, she is an original cofounder of the Norwich Historical Society, which is dedicated to promoting the history of that great New England town. In addition, she remained active in local politics, even running for city council president and State senate. Her contributions to her community have long been acknowledged; Peg received the Norwich Citizen of the Year Award in 1970.

Although Peg Wilson retired from Eastern in 1989 as vice president for administration and fiscal affairs, her dedication to early childhood development has continued undiminished. Never losing sight of her dream of individualized, comprehensive education for young children, Peg returned to Eastern as an assistant to the president. In this role, she spent nearly 4 years attempting to gain support for a facility on Eastern's campus dedicated to early childhood development. Her hard work, alongside that of the president and senior staff of Eastern, finally paid off. On February 28, 2006, Eastern University dedicated the Margaret S. Wilson Child and Family Development Complex. This new complex currently serves 14 children, ages 3 and 4, in a new comprehensive preschool, implementing many of the ideas Margaret Wilson has espoused for almost 60

years. As the center grows, a limited number of infants and up to 60 toddlers will be served. In addition, the center will eventually offer onsite services such as health, education, and financial services to the participating families. Peg's vision of comprehensive child development is truly being realized.

I would be remiss if I did not mention Peg's family: her late husband, W. Robert Wilson; her daughter, Margaret-Ellen Wilson; and her son, Dr. William Wilson, a recipient of Norwich's Native Son Award in 1999. Their love and support has been instrumental in allowing Peg to devote her career to promoting early childhood development.

As a Senator and a father of two young daughters, I am reminded every day of the importance of providing quality education early in a child's life. Throughout my career, I have strived to ensure that our country makes early childhood development a national priority. Today, I am honored to praise the work of someone who shares that commitment with me.

Margaret Wilson has played an integral role in improving thousands of young students' lives and reshaping early childhood education. The Margaret S. Wilson Child and Family Development Complex stands as a testament to one of Connecticut's most admired and visionary educators. This complex will help ensure that future generations of Connecticut children are provided with a quality education early in life, which is critical for our Nation's future. On behalf of a grateful state and nation, I say thank you, Peg Wilson, for all that you have done and continue to do for the children of America.●

#### CELEBRATING THE 125TH ANNIVERSARY OF ST. VINCENT HEALTH

● Mr. LUGAR. Mr. President, I am pleased to rise today in order to join my fellow Hoosiers in celebrating the 125th Anniversary of St. Vincent Health. Over the span of those 125 years, St. Vincent Health has grown into one of the largest health care systems in the State of Indiana, with 16 facilities serving 45 counties.

April 26, 2006, marks Founder's Day, the culmination of a year-long celebration which began on November 29, 2005, during which the 11,500 associates of St. Vincent and the communities they serve will commemorate this important milestone. This year Founder's Day will include the unveiling of a statue to commemorate the four Daughters of Charity who came to Indianapolis to start what is now known as St. Vincent Indianapolis Hospital and the 125 years of service that resulted from their remarkable work.

Like so many of my fellow Hoosiers, I am grateful for the important services that the associates of St. Vincent Health provide each day to Hoosiers in their time of need.●
